The Red Roundabout

The objects of the BHRA are to act as an intermediary between the residents and other parties to keep residents informed of matters of importance and recreation in and around the village and to promote the interest of Bar Hill Village.

This is a private publication and may not be reproduced without permission.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 19th June in the Old Farmhouse.

Dog Fouling in Public Areas

The District Council will be reviewing this by-law in the near future when it is anticipated it will be reinstated. In the meantime, a "Code of Conduct", regarding dog fouling will be drawn up and will be included in the August Bar Hill News.

Low Flying Aircraft

District Councillor Alec Green is actively pursuing this problem on behalf of the Village.

Bus Shelter

Following a survey carried out by Parish Council members, of those without a shelter, Little Meadow bus stop was ascertained to be the most used. Therefore, this stop will be allocated a shelter later in the year.

County Structure Plan Proposals

Extracts pertinent to this area were read from this document.

Following the completion of the Wilcon development, no further development was proposed for Bar Hill. It was stressed that this document is only a proposal and has not yet been finalised.

Tesco Liaison

A recent meeting had taken place between members of the Parish Council and Mr. Martin, new Manager of Tesco. It was hoped that, in the near future, good relations would be maintained by this liaison.

Playing Golf on Village Green

It was agreed that, although there were instances where this could endanger passers-by, playing on the Green was probably preferable to other areas of the Village. The Clerk was asked to approach the Community Council for guidance on this matter.

Bill Posting on Fly-Over by Outside Organisations

It was agreed these were becoming something of an eye-sore. The Clerk was requested to write to all organisations outside of Bar Hill who were bill posting on our roads, advising them that they should seek permission from the Parish Council before doing so.

The next meeting of the Parish Council will be held on Thursday 17th July at 7.30 p.m. in the Old Farmhouse.

DISTRICT COUNCIL REPORT

Firstly I have been in contact with Mr. Martin, the new manager of Tesco's re the litter around the store. He assures me that as of June 16th a new cleaning contractor will be employed, I do hope that this will see considerable improvement to The Mall and areas surrounding Tesco's.

At the last environmental Services and Health Committee, Mr. Hutchins brought to our attention the case of a refuse collector who was badly cut by broken glass whilst collecting household refuse. The employee required six stitches and considerable time off work. The union, with the full co-operation of the Council, is taking out a prosecution against the household concerned; may I once again stress the importance of being responsible when putting out rubbish for collection, I'm sure nobody would wish for further incidents of this nature to occur. At the same meeting the draft bye-laws for rubbish collection were further discussed and we received the comments of the department of the Environment. These bye-laws will not affect the quality of the service and indeed it is hoped to improve the efficiency of the service. I shall report further on the bye-laws when they receive approval from the minister but if any person wishes to see their draft please contact me.

As I write, the memory of our College "Summer Spectacular" is still fresh. It was an outstanding day and I would like to thank everyone who supported us in so many different ways.

Fortunately for fifth year pupils, Summer has arrived late this year, and public examinations are nearly over. It is one of the weaknesses of the system that the weather can play a part in helping or hindering young people faced with the most important challenge of their lives to date. The new system (the G.C.S.E.) will give more credit to the work pupils have done during the course and remove some of the 'lottery' element from the final assessment - the formal examination.

On the community front, the pool is proving a great attraction, the Arts programme is in full swing and plans are now well in hand for two weeks of activities for children and young people at the College over the Summer Holidays.

Both weeks have been kindly sponsored by Godfreys the Bakers.

1. Summer School Week

Monday 11th August - Friday 15th August.
Mornings

3rd and 4th Year Primary and 1st and 2nd Year Secondary Pupils.

Choose from Swimming, Cookery, Handicrafts, Trampolining, Five-a-Side Football, Drama and Great Egg Race.

In conjunction with the Summer School Week we shall be running Body Shape Sessions for adults. These sessions led by Jo Wain, will take place between 10.00.a.m. and 11.30.a.m. Monday to Friday, and a crèche will be available for pre-school children at a small charge.

Cost for the course will be £6.75 and enrolment will be through the Community Office, Telephone Swavesey 30373.

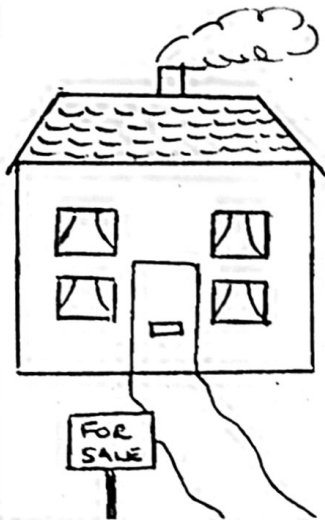

2. Summer Playway

Monday 18th August - Friday 22nd August
Mornings

For children in infant classes and junior school years 1 and 2.
Lots of exciting activities.

DETAILS OF BOTH THESE ACTIVITIES WILL BE DISTRIBUTED VIA LOCAL SCHOOLS.

BAR HILL CATHOLICS

Welcome to anyone who is new to Bar Hill and to our summer visitors. We have Mass every Saturday evening at 6.00pm in the Church Centre. If you would like to join us we would be very pleased to see you.

There may not be a Saturday evening Mass on 12th July and if so we hope that there may be a Mass on Sunday 13th July instead. At the time of writing this had not been confirmed, so please ring me for more information.

There will be a Liturgy meeting, to plan the Masses for July, on Thursday 3rd July at 8.00pm at 34 Acorn Avenue. Please come if at all possible.

Our next ecumenical service, held jointly with Bar Hill Church, will be on Friday 25th July in the Church Centre. I'm not sure if it will start at 7.30pm or 8.00pm - again, please ring me for more information.

Colours Club for children of primary school age, will be taking a break for the summer holidays. However, we would like to plan our classes for the school year starting in September. So if you have children who would like to come, please ring me, Margaret Moffat (82366) or Bunty Waters (81493). This is particularly important if you have a child who will be 7 by June 1987, and who would like to make his or her First Holy Communion.

I hope everyone will enjoy their summer holidays, that the sun shines for you and that you will have safe journeys.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Cambridgeshire County Council is a major land and property owner in the County with assets in excess of £800 million and an annual budget linked to maintenance, refurbishment and replacement of buildings in excess of £40 million. Cambridgeshire is among the very few Counties whose assets exceed their liabilities. These assets which include the County Farms are managed by the Property Department which works in close collaboration with Services Depts. ie. Social Services, Education, Police, Public Protection, Transportation etc. A recent development of the close links between Property and Education Depts. is the Pilot Scheme to introduce a Property Bursar at Comberton Village College. His tasks will include the responsibility of repairs both to property and furnishings, cleaning, caretaking, lettings, ground maintenance and catering plus proposals for building development. Previously the Principal was responsible for these but will, under the pilot scheme be free to concentrate on education. This pilot scheme of a Property Bursar will be extended to incorporate some of the Primary Schools within the Comberton Village College catchment area.

Paving for Local Government. Domestic Rates In some form Domestic Rates have existed for nearly 400 years..The Green Paper examines 4 possible alternatives including no.1 The current system which accounts for 18% of local expenditure and raised £4.4 billion in England in 1984/85. Any local domestic tax should be fair and promote local accountability, the current system is unfair in that it taxes individual property rather than the demands that the household put on local services. No.2 Local Sales Tax levied on top of VAT by a further 6½% to raise an equal amount of finance. No.3 A local income tax which would add 4½p in the pound to basic rates of tax. These three which include the current system have been rejected by the Green Paper in favour of a new flat Rate Charge which would be determined by the Local Authority, payable at the same rate by all adult residents of a Local Authority. Obviously this proposal if agreed would take 5 - 10 years to make the transition and would meet the criteria laid down to encourage local democratic accountability and fairness.

If anyone wishes to contact me please either telephone 'Caroline' Crafts Hill 80975 or write to Councillor John R. Reynolds, 4 Pettitts Close, Dry Drayton.

BAR HILL MOTHER AND TODDLER GROUP

I would just like to thank everyone who supported our Summer Fayre. It was a great success and thankfully the weather stayed nice for us and I think the Toddlers had fun doing their sponsored trundle. Well done to them all, they all did well and the money is still coming in. Thanks mums for all your help with the trundle.

For new mums or new villagers - if you didn't know there is a supervised Mother and Toddler Group in the Church Centre five times a week. If you are interested please phone Pauline on Crafts Hill 82118 for further details.

Lastly I would like to thank Dave and Gerry (Dave and Gerry's Disco's at the Village Hall) for their much appreciated donation which we are putting to much needed equipment.

BAR HILL COMMUNITY PRIMARY SCHOOL

July is the month when your community school closes for the summer holiday, although most societies and clubs will be holding their meetings until the week ending 18th July. The Infant Gym Club will be holding its last meeting of the series as will the Over 14's Motorcyclists course.

I do hope that some of you have found something to your liking in the last year and that next years programme, to be announced in the September issue of this Newsletter, will be of interest to you. Although a considerable percentage of the village, and its near surrounds, use the school I am well aware that a larger percentage still do not use the facilities available at your community school. We are here for all to use and I should be only too pleased to hear from you regarding any club or society you would wish to take place and any course you would like me to arrange on your behalf. Remember your community school is here to serve you.

Thank you all for your support in the last year and I hope you all enjoy a happy summer with hours of sunshine.

OUR TRIP TO ELY

Saturday 7th June was the day we went to Ely. The bus arrived at quarter to two. We had our names ticked off a list as we got on it. Most of us stayed downstairs on the bus so that we could have a sing-song while finger puppets and yellow streamers were being given out.

We had recently been making a tree at Rainbow Club, well two trees, one was a wintery tree, the other one had blossoms on it and it was a golden peach tree. When we got off the bus we found that the two trees had been stuck together with poles through it so that someone could hold it up. Unfortunately I was told to hold it up and so was Tina!

We had to sit right at the front of the Cathedral on stools for most of the Service, then came the story of the "Selfish Giant" when I suddenly remembered the story and how the trees changed from summer to winter. We had to turn the tree to the wintery side of it when it was winter and the blossomed side when it was summer.

The congregation were told that when the children in the giants garden were happy they had to hold up the smiling side of their finger puppets and when the children were sad, like the time when the selfish giant drove the children out of his garden and built a high wall round it, everyone had to hold up the sad faces on the other side. When it was windy they had to make a noise like the wind, when it was hailing they had to shake a can that had something rattling in it, when it was snowing they had to wave white streamers and when it was sunny we waved our yellow streamers. I'm sure it must have taken an hour to tell that story because by the time we got off the stools our arms were aching!

To finish off we had tea "yum", then we got back to the coach and started singing again but this time we were on the top deck. Apart from the aches I enjoyed it, it made a good trip out.

BAR HILL PRE-SCHOOL PLAYGROUP

This month has seen some changes to the membership of our committee, following the resignation of Alison Turton as treasurer, Viv Smith has become our new chairman and Pamela Condon is now treasurer. We also welcome Carol Robinson and Rosemarie Flavell onto the committee as additional fund raisers.

Our Spring Fayre was very successful, raising £70 for playgroup funds. Many thanks to all of you who attended and to those mums who donated cakes for our cake stall, we hope you all enjoyed the morning.

We have organised various events for July, these are as follows:-

Garden Party 9.7.86 at 26 Partridge Drive. This is particularly to be recommended if you have a sweet tooth as strawberries and cream, gateaux and teas will be available.

Sports Day (for playgroup children) 16.7.86

Market Stall (in Cambridge) 17.7.86 Selling home made cakes, quiches etc.

Finally, a reminder that our playgroup shop is open at the end of each session, 11.45am weekday mornings (except Wednesdays) and 3.30pm weekday afternoons.

EMERGENCY PLANNING IN THE COMMUNITY: EPIC

Free training in emergency planning in its widest sense is offered to volunteers from this village. If you would like to find out more about the subject and are prepared to help in the village, then the training is designed for you.

The training is spread over 14 evenings. The next courses will be at Cambridge, Huntingdon, Ely and Peterborough starting on 15, 18, 23 and 24th September respectively. No special qualifications are needed, the course is free, and a motor mileage allowance is paid.

If you would like more information or wish to enrol please contact the Emergency Planning Officer, Shire Hall, Cambridge on Cambridge 317620 or 317622.

DAVE AND GERRY'S DISCO

As I write this month's literary extravaganza I am about to pack for two weeks abroad (who said "So that's what happens to our Disco money"). Seriously though, we have given several hundred pounds to worthy village causes and will continue to do so as long as you support us.

By the time you read this we will be well into July and you will have been asked if you want a Disco in August - as attendance tends to suffer at the height of summer (if we have one). Up till now we have been supported magnificently with over 100 fairly regular disco daisies. We have stopped advertising in the C.E.N. for the time being to prevent too many "strangers" cluttering up the hall.

continued/

DAVE AND GERRY'S DISCO (continued)

I will apologise now for closing the disco on May 23rd early but it was a Police request and could hardly be ignored - it was in no way due to your behaviour at our Disco's. I am not sure at this stage how long the "curfew" will last but will give you more information when I get it.

Finally, you should have had a pleasant surprise, probably at the 13th of June Disco, and Gerry and I hope to keep them coming for months to come.

Keep supporting us - at £1.80 its still the best value in town - other than Stan's haircut. See you soon,

Dave

BAR HILL ALLOTMENTS SOCIETY

As we enter the active growing season, its nice to see so much activity on the allotment site after such a wet start. By the time you read this article we should be heavily involved in the annual best garden competition. So, don't forget, ring me, Dave young or contact any other committee member to enter your garden.

There are still plots to rent from £1.00 to £3.50 p.a. and the shop opens every Sunday 11.30 - 12.30. One cautionary note, some "mucky" residents seem to think the allotment site is a rubbish tip - I ask them to treat our property with the same respect as their own (perhaps they do). If they would ring me I will gladly tell them where to dispose of their junk.

I have been asked to put in occasional gardening tips and although I am no expert I will do my best. I have decided to start with the lawn. Sulphate of Ammonia (obtainable from the shop) watered in, makes the lawn very green as it is high in hydrogen. You also get the same effect when using lawn sand - to improve drainage and kill moss 'Evergreen 90' - though expensive is a complete "feed and weed" and is definitely a 'must' with the average Bar Hill soil and should be put down at this time of year before the weeds get a real hold. Finally, if planning a new lawn - curve as many of the borders as possible as this makes for a far more attractive garden. More adventurous tips next time.

Dave Young

CRIME PREVENTION

REMEMBER - Before going away on holiday take reasonable precautions: tell your neighbours, cancel the milk, cancel the papers etc. I would also emphasise the need for extra vigilance during the holiday season. We have already experienced our first house burglary of the season - try to make sure it doesn't happen to you or your friends - if you see anything suspicious CALL THE POLICE*

Thank you,

LITTERBUSTERS

Thank you to the adults and children who helped with the tidy-up, held on Saturday 21st June - we filled at least sixteen black bags with litter. Well Done!

Our thanks also to TESCO, who made a herculean attempt to have litter-free grounds for the first and hopefully not the last time in their years at Bar Hill.

Again I thank the litter-busters on your behalf. Help us to help you - USE THE BINS OR TAKE YOUR LITTER HOME.

BAR HILL WOMENS INSTITUTE

The next meeting of the W.I. will be in the Norton Suite of the school on Tuesday 8th July at 7.30 when we are looking forward to a visit from the Derrymore Weavers.

Our competition this month is for a Single Bloom from the garden and the theme for the Bring and Buy table will be Bottles, any kind - food or toiletries.

A coffee morning was held at 17 Foxhollow on 27th May. This was so successful we are hoping to hold one regularly at the end of each month.

Our Secretary, Mrs. Margaret Clark, was elected to be the Bar Hill and Comberton representative at the W.I. A.G.M. at the Royal Albert Hall, London on 5th June.

A warm welcome awaits new members, for any further information please ring C.H. 80612.

TO ALL CONTRIBUTORS OF COPY FOR THE BAR HILL NEWS:

Our fame is spreading. So many people contribute each month, and we love it, to know the "News" is read and needed to pass all Village information on. But, we have to ask EVERYONE to limit the copy to 200 words or under (typed if possible) which equals 1/2 page typescript only to give everyone page space.

We hope you do not feel too restricted but our magazine capacity is now at its limits.

Sheila Blackwell, (Editor)
